## Greetings Roadrunners . . .

We had a nice rally in Double Adobe RV Park in McNeal, AZ. I was able to do some trap shooting a couple of days and only ended up with a small bruise. Wagon masters Terry and Nancy Whaley provided a variety of activities and meals for attendees, the weather cooperated nicely, and everyone seemed to have a great time.

A reminder to make your reservations at Arizona State Parks early. Ed White provides a master schedule at the beginning of the rally year. You need to make reservations at that time if you are thinking about going. You can always transfer your reservation if something comes up. Most parks

tend to fill up fast. Dead Horse State Park has been sold out, but a few members have been contacting the park and were able to secure a site due to cancellations. We do; however, have some members staying at other parks and they will join us for group activities. For additional information and details see Mr Ed's Corner on page 4.

This month we plan to visit Yuma for our annual wash and wax rally. Besides getting our coaches shined up, it's a convenient place to hop on over to Mexico for shopping and lunch; play a round of golf, and visit Martha's Garden (a favorite place to stock up on delicious Medjool dates and enjoy a date shake while you're there. The last time I checked, the park still had openings. Hope you can make it.

The season is winding down with just a few rallies left. We would love to have you join us.

Jack Mayberry, President

## ♥ Caring and Sharing ♥

The following member updates came in recently from Rita Moore and Kay Hanson respectively.

On Feb 14th, Frank Bessler received a permanent implant to aid him in controlling pain. Presently, he is trying to get it regulated and he appears to be doing well.

Joyce Newell fell Sunday, February 23rd, and broke three ribs. She was move to Sabino Canyon Rehabilitation Center on Saturday, March 1st. They are looking into finding a rehab center in Green Valley. If you recall, the Newell's house had a fire last December, and they are scheduled to move back into their home on March 15th.

Sending prayers, good wishes, and/or cards would be greatly appreciated.

Kay Dahms

### *The Road . . .*

*"I shall be telling this with a sigh  
Somewhere ages and ages hence:  
Two roads diverged in a wood, and I—  
I took the one less traveled by,  
And that has made all the difference."*

Excerpt from The Road Less Traveled, a poem by American author Robert Frost.

# Treasurer's Update

Please get your registrations in as soon as possible. It makes it difficult for the wagon masters to plan when they do not know how many are planning on attending.

*Our first full day at McNeal, included a happy hour presentation (above) from representatives of Skymed—an emergency transportation service whose members can obtain assistance should they experience a medical emergency while traveling. One of the memorable pot luck treats was a sugar free chocolate cake prepared by Shaunna Bouchard. She was gracious enough to share the recipe at left with interested Roadrunners.*

## February Rally Highlights (2 of 2)

*Co-Wagon Masters Terry & Nancy Whaley and Frank & Theresa Urbina arranged for a variety of rally activities in February. Besides several club house meals, plans included an opportunity to practice hunting skills at a nearby Trap & Skeet Range, witness the annual migration of Sandhill Cranes at Whitewater Draw Wildlife Preserve (above), tour a famous copper mine in Bisbee, and dinner out at Thirsty Lizard Bar & Grill—a culinary gem located in McNeal, AZ (below).*
